## A BRIEF MESSAGE TO ALL PROSPECTIVE BUYERS:

Seldom will seventeen breeders of any class of livestock allow their fine herds to be picked to form such a strong consignment for any sale. These 17 bulls will suit even the most critical. They have the size, the bone, and the ruggedness that has made our breed "come to the front" so fast; yet they have the quality to make the majority of them good herd bulls and the rest "real tops" for commercial operations.

Remember, however, this is primarily a female sale and the females will even outshadow the bulls. A group of these females with many carrying the service of top herd bulls of the breed, would start a man out with as fine a herd of shorthorns as could be purchased anywhere. It takes this same quality animals to improve your present herd.

Show records of the past year have proven the statement that: "The Inland Empire is the Shorthorn stronghold of America."

Feel free to inquire from me or these consignors and may we see you at the show at 1:00 p.m. on October 24th at the Old Union Stockyards; at the banquet that evening at 7:00 in the Roundup Room of the Desert Hotel; and, then at the sale at 1:00 p.m. on October 25th in the sale pavilion at the stockyards.

KENNETH KILLINGSWORTH,  
Sale Manager.
